12:00 NOON – 1 PM

@ THE GHS ADMINISTRATION BOARD ROOM

UNDERSTANDING MENTAL ILLNESS

FROM 3 DIFFERENT POINTS OF VIEW

PEP = A Partnership Education Presentation

PEP is a unique and powerful presentation that can help you understand the nature and prevalence of mental illness and provide information about the kind of services available in our communities.

GUEST SPEAKER: Clara Donnelly, BA, is the Bulkley Valley Educator for the Mental Health Resource Centre from the BC Schizophrenia Society. Join Clara and a team consisting of a Mental Health and Addictions Clinician, a person living with mental illness and a family member, who tell their personal stories and perspectives on mental illness.
